THE NOT-SO SECRET SOCIETY MINI-ACTIVITY

According to the NS3, every season is the perfect season to build a snowman! Use the space below to **build and decorate your own snowperson**. Be as creative as you can be. Make sure that you also give him/her a name.

IF ITS OK WITH YOUR PARENTS, SEND THE SKETCH TO US AT MINI@TEAMNS3.COM AND WE WILL SHARE IT ON OUR SOCIAL MEDIA!

EXTRA CREDIT!

Here are some fun facts about snow and snowmen!

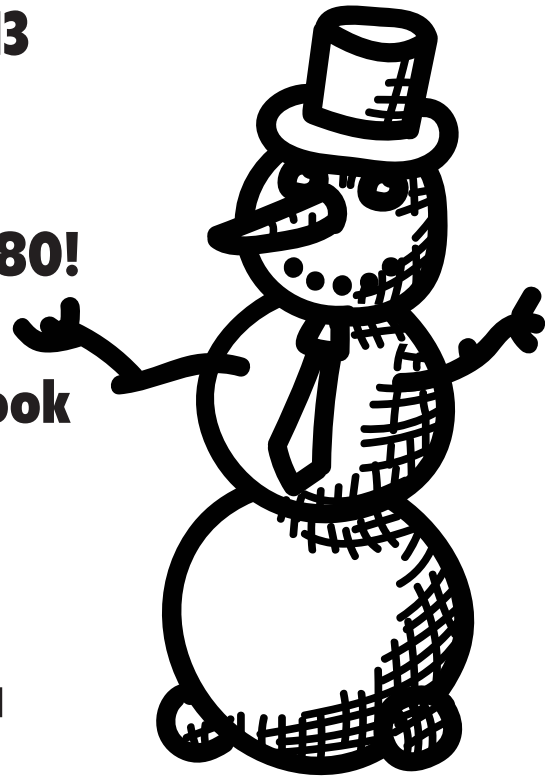

In 2008, the biggest snowman ever was built: he was 122-feet tall, made from 13 million lbs of snow!

The first snowman on record is from 1380!

The biggest snowball fight in history took place in 1863 and involved 9,000 soldiers!

Chionophobia is the word to describe a fear of snow.

All snowflakes have six sides and consist of beautiful, intricate patterns.
